

United States of America

CERTIFICATE OF APPRECIATION

Ganshin Corporation

The United States of America takes great pleasure in commending your diligence and perseverance in successfully completing the Iwakuni Runway Relocation Project. Your participation in this project demonstrates Japan's commitment to our Alliance which holds special significance in this 50th Anniversary year. Additionally, your collective efforts towards realizing this strategic project will enhance Japan's security and the stability of the region.

With the utmost respect and profound appreciation of the United States we sincerely thank you.
